To All Members:

As you know the 2018 General Election is on Tuesday November 6, 2018.

How you vote is a personal decision. In partnership with the Colorado AFL-CIO, we have done the research and believe the enclosed list of endorsed candidates and issues are the best choices for working people.

These candidates have gone through a rigorous evaluation process. They have demonstrated their commitment to IAM members by supporting expanding collective bargaining rights, raising wages, and making our workplaces safer. We are proud to say they have earned our endorsement and hope you consider this as you cast your ballot.

On October 15, 2018 ballots will be mailed to all registered voters. In-person voting begins on October 22, 2018.

You may register to vote at any time up to and including on Election Day. You can do so on the Colorado Secretary of State's website (govotecolorado.com) or in person at a Voter Service and Polling Center. If you want to receive a ballot by mail, you must register no later than October 29, 2018.
